

The Top 3 Must-Have Supplies For

PHOTO ORGANIZING

theswedishorganizer.com

ULTIMATE STORAGE

1. THE LEGACY BOX

The Legacy Boxes, designed and manufactured exclusively by the Association of Personal Photo Organizers, is the ultimate collection in photo storage on the market. These PAT-compliant archival boxes come in three sizes (Small, Large, & Memorabilia) and can be purchase only through your local Photo Organizer or through APPO's website.

ULTIMATE LABELING

2. STABILO ARCHIVAL PENCILS

Pick up Stabilo's archival pencils so your back-of-photo writing doesn't bleed, transfer, or damage your photos. The pencils are erasable, water-soluble, and are safe to use on all paper, plastic, glass, and metal surfaces, including printed photos and negatives.

ULTIMATE CLEANING

3. PEC*PAD PHOTO WIPES + PEC-12 ARCHIVAL SOLUTION

If you have prints, negative, or other memorabilia that needs a bit of TLC, the Pec*Pad Photo wipes by Photographic Solutions will be your new best friend. They are lint-free, extremely durable and strong, and when used together with PEC-12 (Photographic Emulsion Cleaner solution), they are extremely effective in removing grease, spots, fingerprints, dirt, and dust. It's an archivist's dream duo!
